Top Junior Handler

Jason Rainey - Late last year, Jason earned his third class win as a Novice and moved up to the Senior Open Class in junior showmanship. Jason only showed Winslow a few times this year, including his third consecutive NCA National Specialty. He was ranked 9th among junior handlers for the Newfoundland Breed. Although he has greatly improved his handling skills despite relatively few opportunities in the ring, Jason has not won any Best Junior Awards since he was promoted into the highest level of competition. Despite knowing his chances of winning are slim against much more experienced junior handlers, Jason still enjoys exhibiting very much and likes working to improve his skills.

While it is not as easy to score as confirmation wins, Jason has exhibited Winslow in working events. This year, Jason successfully trained and exhibited Winslow to his Rally Excellent (RE) title. Additionally, Jason served all three days as a steward for last fall's CNC Draft Test, helping set up the course, replacing the freight haul load, lead steward for the freight hauls, and other tasks as directed. This past summer, Jason again supported the club as a steward for the CNC Water Test for all three days. He helped with set up and take down and paddled the kayak for article drops and other duties assigned. Jason has been working with Winslow on draft work and plans to handle one day this coming weekend.
