**Time:** Meet in the lower part of the Lodge parking lot  
(NOT the Nature Center Lot!!!!) at 9:30. We will go in for breakfast at 10:00. We  
will start the walk / cart part of the event around 11:00.

Please come join us at this popular yearly event. The sap's running in early March and we are celebrating! We start with a pancake breakfast featuring locally made 100% pure maple syrup originating from trees growing in the Park!

We will meet in the lower area of the Lodge parking lot at 9:30 and will move indoors for our pancake breakfast at 10:00. Please note that only humans are welcome in the lodge.

After breakfast, we will take a roughly 2 mile walk to the Nature Center with our dogs. Those of us who are into carting are **MORE THAN WELCOME** to bring their carts for training. In the past, this has been an **EXCELLENT** way to help train for Draft Tests later in the year.

On a personal note, the coordinator of this event has taken part in it almost from the beginning. It is one of his favorite CNC events and he has been to quite a few different Club functions.

Please R.S.V.P. to
